**RE: 2014 Manitoba Woman Entrepreneur of the Year Awards – Faye Fossay**

Dear Award Judges,

It is with genuine enthusiasm that I write this letter of support for the nomination of Faye Fossay of F3 Designs to be considered for the 2014 Manitoba Women Entrepreneur of the Year Awards.

Dauphin's Countryfest has been working with Faye Fossay and her company F3 Designs since 2009, and throughout those years she has implemented 3 websites for us.

Faye's knowledge of website trends and attention to details is impeccable. She is always available and happy to answer questions or provide assistance. On any project that Faye has worked on for Dauphin's Countryfest, she has put her whole heart into it. No job is just a "job" for her, it is her passion. Faye is simply brilliant at her work.

The Women Business Owners of Manitoba should choose Faye Fossay of F3 Designs as their Manitoba Woman Entrepreneur of the Year!

Respectfully,  
Allison Watson
